Aspirateur eau et poussière

TE-VC 2230 SACL

Référence produit: 2342465

Numéro d'identification: 21010

Code EAN: 4006825658330

The Einhell TE-VC 2230 SACL wet and dry vacuum cleaner is a high-quality, powerful 1,400 W ECO vacuum cleaner to dust class L standard in accordance with European standards. Since it filters fine dust, the wet & dry vac is suitable for allergy sufferers, and the filter cleaning system restores the infinitely adjustable suction power. There is an integrated automatic coupler socket, blow connection and cable winding. The sturdy, rust-proof 30 l stainless steel tank has a water drain screw. For easy transportation there are large wheels & castors. There are holders for stowing the accessories away neatly. It is supplied complete with a telescopic tube, 3m suction hose, large combination, crevice and upholstery nozzle, plus various filters.

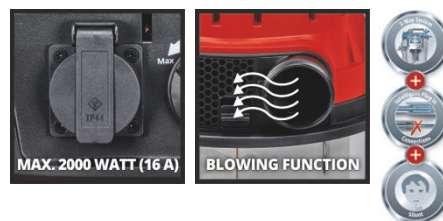

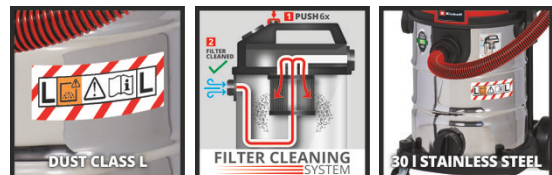

Caractéristiques et bénéfices

- For dusts (OEL >1 mg/m³) & dust class L acc. European standards
- Filtering of harmful dusts like hard plaster, chalk & glimmer
- With filter cleaning system for restoring the suction power
- Infinitely adjustable suction power thanks to speed control
