TC-MS 2112

Référence produit: 4300295

Numéro d'identification: 11049

Code EAN: 4006825584929

The Einhell TC-MS 2112 crosscut and miter saw is ideally equipped for jobs of workmanship involving wood. The high-grade carbide saw blade with 48 teeth cuts through the workpieces and delivers a perfect cut. The work table is made of light and sturdy die-cast aluminium and there are easy-to-read angle scales to make easy work of angular cuts and miter cuts. For the most common angles, locking positions are provided on the turntable. The saw head can be tilted up to 45° to the left for perfect miter cuts. The saw blade can be changed quickly thanks to the spindle lock. Supports are provided for long workpieces on the left and right, along with a clamping device for securing the workpieces.

Caractéristiques et bénéfices

- High-quality HW-saw blade for perfect cuts
- The work table is made of light and stable alu die-cast
- Turntable with accurate locking positions for all common angles
- The saw head is infinitely up to 45° tiltable to the left
- Workpiece supports on both sides for long workpieces
- Clamping device for holding the workpiece securely in position
- Spindle lock for an easy and fast blade change
- Includes sawdust bag
- Well readable angle scales for the mitre- and angle-cuts
